## #Summary

My motto as a developer is if I am the smartest person in the room, I am in the wrong room. I love learning, and want to become the best developer I can be. I am a maker - I enjoy creating in my career and after hours. I believe in shipping quality code and working in flow.

---

Jan 2013 – May 2017: Orlando, FL

**UCF** / Certificate in Full-Stack Web Development  
Feb 2019 - Aug 2019 : Orlando, FL

---

## #Personal Project

Penguin Knight - A Javascript 2D platformer game, that focus on a penguin collecting rubber ducky. While evading from the potential environmental hazard, and reaching the exit.  
Design with MVC style, while applying passport for authentication and Sequelize for DB management.
